Under Nebraska Code Section 44-5261(11), assessments for the reinsurance program are determined by each carrier's share of the assessable market. In Nebraska the assessable market includes each reinsuring carrier's share of the total premiums earned in the preceding calendar year from health benefit plans delivered or issued for delivery to small employers in the State of Nebraska.

Definition of Health Benefit Plan

**Assessments cannot be offset against premium or other taxes due.**

This is not an assessment. It is an information requirement under the Director's inquiry powers.
