## Nebraska Department of Insurance Announces New Testing Provider

For 2023, the Nebraska Department of Insurance (NDOI) announces a contract award to PSI to administer the insurance licensing examinations for Nebraska residents. Applicants can contact PSI starting January 29 at <https://test-takers.psiexams.com/neins> or (833) 333-4754 to schedule their examination.

"I am excited to partner with PSI as our new insurance licensing exam provider," NDOI Director Eric Dunning said. "Along with a virtual testing option, PSI will offer Nebraskans on-site testing locations throughout the state. The good news for candidates is that we have doubled the number of test sites in Nebraska and are offering on-site testing in new locations like Norfolk, Grand Island, and Sidney."
