 Respondent.)

Case No. CI 01 4133

**ORDER DENYING APPLICATION
 FOR EXTENSION OF
 CANCELLATION DATE OF BAIL
 BONDS**

This matter came on for consideration on the Application No. 2 of the Director of Insurance for the State of Nebraska, L. Tim Wagner, acting as Liquidator pursuant to the Insurers Supervision, Rehabilitation and Liquidation Act ("Act"), NEB. REV. STAT. §44-4801 *et seq.*, for an Order approving the extension of the cancellation of all bail bonds (i) issued by Far West Insurance Company, and (ii) issued by Amwest Surety Insurance Company and transferred to Far West Insurance Company pursuant to NEB. REV. STAT. §44-4821(1)(j), for a period of forty-five (45) days following the original cancellation date of December 9, 2001, until 11:59 p.m. on January 23, 2002. IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that:

The Liquidator's proposal to extend the cancellation date of all bail bonds issued or assumed by Far West Insurance Company, as aforesaid, is hereby denied for the reason that NEB. REV. STAT. §44-4819(1) does not permit the extension of the cancellation date of the bonds beyond thirty (30) days from the date of entry of the Liquidation Order herein.

DATED: 12/7/01

John A. Colborn, District Judge
